20+ YEARS EXPERIENCE IN AEROSOL MANUFACTURE

MAIN SERIES: SPRAY PAINTS, INDUSTRIAL SERIES, CAR CARE SERIES, CONSUMER GOODS, GMP SERIES

2014

- Theaoson started officially
- Built up factory (2011)
- Theaoson moved to High Tech District
- Phase 1 factory completed
- Gained Export Certificate (2015)
- Adopted ERP System (2015)
- Gained Hazardous Goods Production License (2015)

2017

- Gained Guangdong Pollution Discharge License
- Passed National High Tech Enterprise Certificate
- Gained ISO9001 & ISO14001
- As Guangdong Supply Chain Management Pilot Enterprise
- Acquired Huakai Production and QingSong Company
- Listed as New OTC
- Passed Safety Production Standardized Grade 3 Certificate
- Launched Jingdong Store
- Joined 122nd Canton Fair

2018

- Awarded as Top 100 Guangdong High Tech Enterprise
- Awarded as Guangdong Reliable Enterprise
- Awarded as New OTC Model Enterprise

2019

- Theaoson moved to new factory
- Launched Strategic Supplier Meeting
- Launched lean production
- Gained China Aerosol Innovation Award

2020

- Gained Disinfectant Product Production License
- Epidemic Prevention and Control Supplied
- Awarded National Giant Enterprise

2021

- Built up Shenzhen Theaoson Operation Center
- Theaoson 10th Anniversary Event
- Gained AEO Advanced Certificate

2022

- Theaoson Phase 2 Workshops completed
- Gained Export Brand Certificate
- Industrial series workshops upgraded
- Passed National High Tech Enterprise inspection

2024

- Owned 40+ awards
- Owned 100 patent authorizations
- Owned 120+ brand registrations

2025

- GMP workshop was completed and available for production
- GUANGDONG LEVER Biological Technology Co., Ltd., officially opened

COMPANY PROFILE

Officially certificated

Leading Manufacturer

Main Products: Household Cleaning, Car Care, Personal Care, Food Aerosol, Spray Paint, etc.

Rich experience

specializing in aerosol over **20 years**

Strong strength

covering an area of **100,000 m²**
4 independent production workshops

Efficient production

High speed production line **120 cans/min**

Emphasis on innovation

50 technical innovation research and development activities,
100 patent authorization, **4** China aerosol innovation awards

First-class team

200 employees
Covering production, technician, quality inspection, etc.

High quality service

OEM, ODM, Free sample

Best selling
in over 50 countries worldwide

CERTIFICATE OF HONOR

AEO Advanced Certificate

National High-Tech Enterprise

Invention Patent

Specialized Giant Enterprise

Provincial and Municipal Dual Model Innovation Studio

120 Registered Trademarks

100 Patents

ISO22716 & GMPC Certificate

BSCI Certificate

ISO14001 International Environmental Certificate

FDA Certificate

CCC Certificate

ISO9001 International Quality Certificate

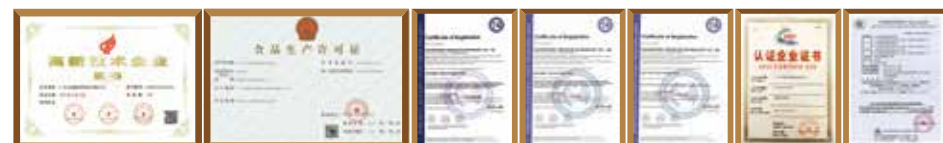

CE Certificate

ISO45001 International Certificate

UKCA Certification

OUR WORKSHOP

OUR WAREHOUSE

4 independent production workshops

- Environmental-friendly car care workshop
- Environmental-friendly industrial product workshop
- Household product workshop
- Personal beauty care and medicine workshop

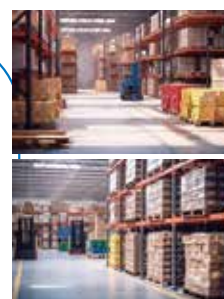

25 production lines

- 12 modern aerosol automatic filling high speed production lines
- 6 household chemical liquid production lines
- 5 personal care automated production lines
- 2 disinfectant production lines

3-dimensional warehouses

- Organized raw materials and finished goods
- Intelligent manufacturing and smart factory
- Kingdee cloud connectivity and digital services
